

### REMARKS

Claims 1-7, 12-27, 33-35, and 39-58 are allowed by the Notice of Allowance dated September 19, 2005. The issue fee was paid on December 19, 2005.

Applicants respectfully submit that the amendment made to the drawings does not add new matter, does not require a new search, and requires no substantial or additional work by the Examiner or the Patent and Trademark Office. The application as originally filed included drawings for Fig. 1A and Fig. 1B, consistent with the Brief Description of the Drawings and written description. When filing the formal drawings, however, Fig. 1A was inadvertently labeled as Fig. 1 and a formal drawing for Fig. 1B was not submitted.

To correct this inconsistency, Fig. 1 has been re-labeled Fig. 1A and a formal drawing for Fig. 1B is provided. These changes restore the drawing labels to their original designations and, therefore, introduce no new matter. Thus, it is respectfully requested that the amendment be entered and the allowed patent be issued.

Favorable action is earnestly solicited.

Dated February 28, 2006

Respectfully submitted,
